The Circle That Never Ends

> **Give thanks to Yahweh, for he is good; for his loving kindness endures forever.**
>
> — Psalm 136:1 (WEB)

In other words: *Say thank you to God, because God is good, and God's love never, ever stops!*

(This line is a kid-friendly paraphrase, not Scripture.)

Let's Learn

Look at an Advent wreath. What shape is it? It is a circle! Try to find where a circle starts. Now try to find where it stops. You can't! A circle goes around and around with no end. That reminds us that God's love for you never ends, either.

The wreath is made of evergreen branches. Evergreens stay green all winter long, even when other trees lose their leaves. They remind us that God's love stays fresh and alive all year long.

Advent is a time of waiting. We wait for Christmas, when we remember that Jesus was born. Each Sunday, we light one more candle. Little by little, the light grows brighter as Christmas comes closer.

Many churches use three purple candles and one pink candle. Purple is a royal color for Jesus our King. Pink is a happy color for joy. Some churches use blue candles or different names, and that is okay! Every wreath tells the same good news: Jesus is coming!

Talk Together

- What shape is the wreath? Can you find where it ends?
- What is something that is hard to wait for?
- Why do you think we light one more candle each week?

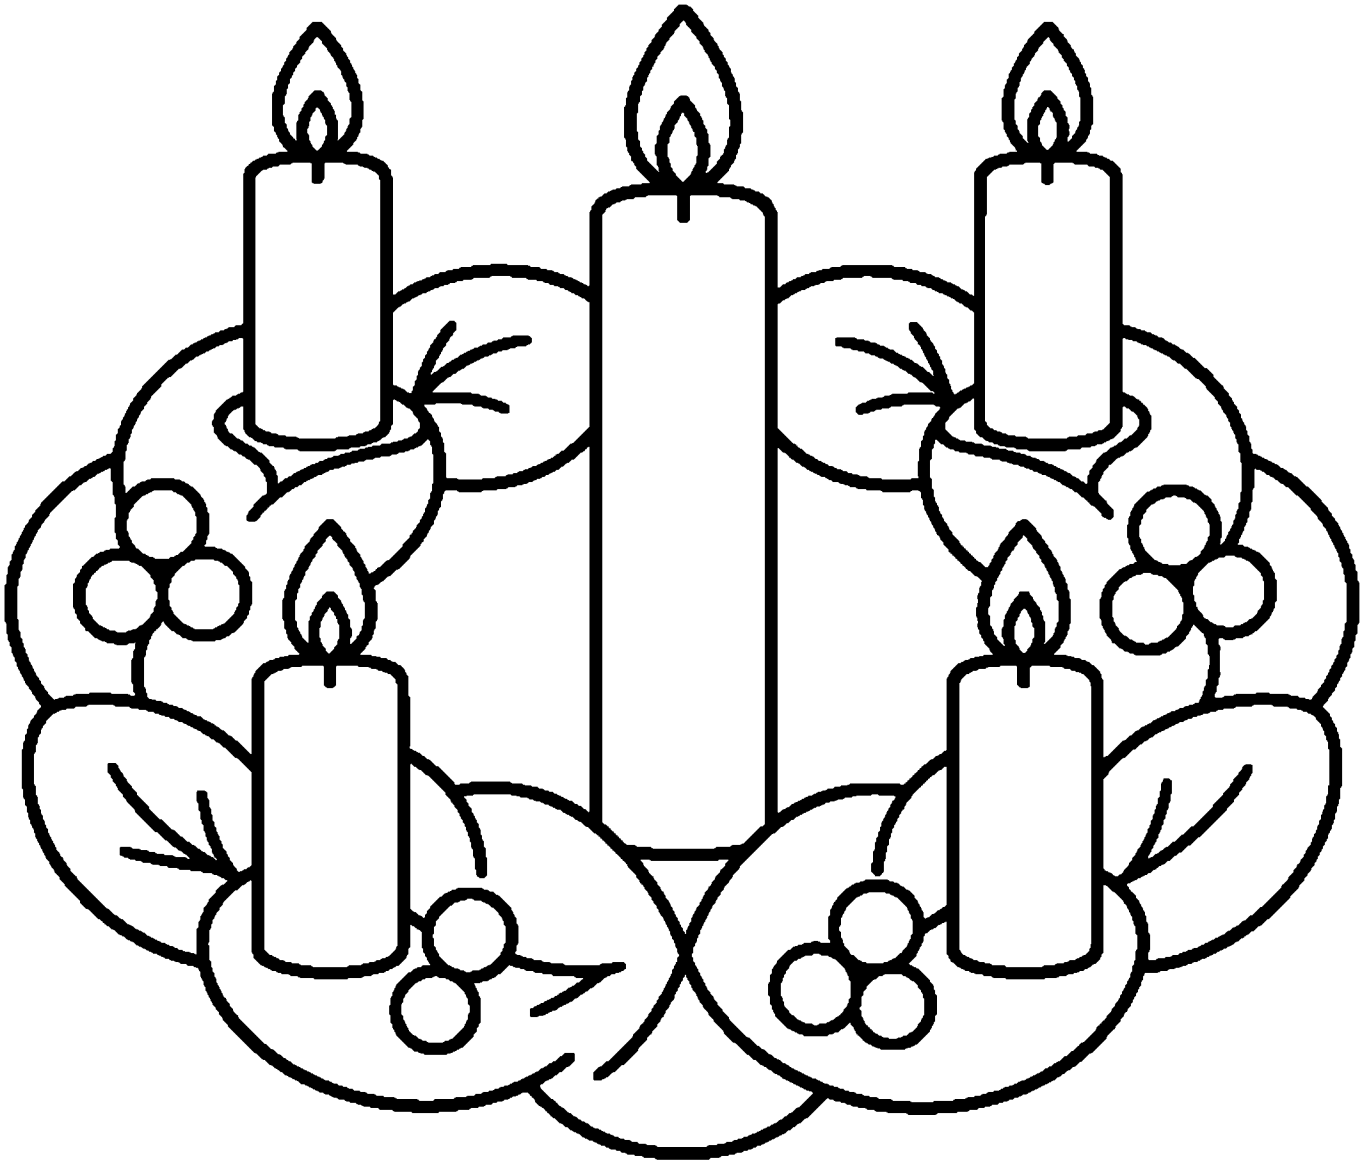

Let's Pray

Dear God, thank you for loving me forever and ever. Amen.

Do Together

Hold hands in a big family circle. Walk around and around and say together, “God's love never ends!” Then count how many Sundays are left until Christmas.

The Circle That Never Ends

"...his loving kindness endures forever."
